## Cards status:

Instruction card confirmed.

Score cards are available in a separate file.

The red "BALL IN PLAY" card is actually a plastic cover with a silkscreen on the back.

I've made these in two parts, a front cover and a backmask (available in a separate file).

When you use these two together you should get the same effect.

If you have any other information about these cards, please send a readable picture or scan to me.

Enjoy and have fun,

Peter
