4	4	4	4	4	4	4	4	4

The first page is Letter (A4) size.
The second page is Tabloid (A3) size.
This file can be used to replace the faded numbers on the old Genco 4 inch score reels.
Just print them on sticky paper.
Long strips are 319x25mm in size.
Be sure to set scaling to “no scaling” when printing, do not adjust to paper size.

Enjoy and have fun,
Peter
